

## *FCCA FILM CLUB*

The FCCA Film Club, through the Cornish C-Fylm organisation, shows a selection of mainstream films throughout the year in the FCCA Hall by the waterside in Forder. Forthcoming films, currently two per month, are advertised in the newsletter, on the FCCA Website and Village Notice Board.

The C-Fylm licence requires that only paid up members attend a film ... membership currently costs £6 per person for a full calendar year (January - December) ... we can sign members up when they attend for the first time, and we and C-Fylm will maintain a database of current members (with name, contact details, date of joining, and attendances), compliant with the provisions of the Data Protection Act. The £6 membership fee will include a 'ticket' for the first film: subsequent tickets are currently £3, to cover the cost of the film, heating and lighting the hall, and contributing to the cost of hiring the projector and screen.

Once a member of the C-Fylm organisation, you are free to attend any other C-Fylm shows in your membership year (commencing 1<sup>st</sup> January) ... there are C-Fylm clubs in Polbathic and Calstock, and many others throughout Cornwall. The C-Fylm website ([www.carntocove.co.uk/cfylm](http://www.carntocove.co.uk/cfylm)) has a list of all venues, and advertises programs in advance.

You are welcome to bring your own refreshments, and we aim to have a 15-20 interval, making the evening a social event as well.
